STANDARDS OF BEHAVIOR FOR WALKING TREE TRAVEL

Walking Tree aims to provide significant, impacting and fun summer programs for high school students. In order to achieve this goal, Walking Tree and its participants need to create an environment of trust, security and respect. All individuals participating in Walking Tree programs are required to take responsibility for their actions and adhere to a high standard of behavior.

Any of the following, at the discretion of Walking Tree, are grounds for dismissal from the program:

1. Possessing, consuming or distributing alcohol or drugs.
2. Consuming tobacco.
3. Getting a piercing or tattoo.
4. Stealing, or deliberately damaging or defacing any personal property, buildings or materials.
5. Riding mopeds, motorcycles or any other type of unauthorized vehicles.
6. Hitchhiking.
7. Boys visiting girls' rooms, or vice versa.
8. Behaving in a way that consistently damages the group dynamic. This includes consistently displaying a negative attitude, intimidating or excluding other participants and any other behavior that is not conducive to an atmosphere oftrust and mutual respect.

These rules are essential for the successful completion of a Walking Tree Program. If a participant breaks any of these standards of behavior, or acts in a way that is harmful to the operation of our program, he/she will be dismissed and sent home at their own expense.

I understand and agree to adhere to these standards of behavior:
